

AVVIO
PRIVATE DINING

AV

Paying homage to classic Italian-American cookery, Avvio draws from the rich culinary heritage of Chefs Kevin DiLibero & Greg Coccio. Our focus is on simple ingredients, sourced both locally and directly from Italy. Prepared with distinct, yet traditional techniques, our menu features Italian staples along with Neapolitan pizzas and wood-fire grilled entrees. Join us for your next private event in the heart of Garden City Center.

Our three-season heated South Patio offers private or semi-private dining opportunities for parties up to 40 guests and cocktail receptions of up to 75 guests. Rehearsal dinners, anniversaries, birthdays and family celebrations are primed for the lively atmosphere of Avvio. Our centralized locale makes an ideal destination for corporate events. For smaller parties of up to 20 guests, we offer a semi-private dining experience.

Thank you for your interest in Avvio. We look forward to helping you plan your special event.
